Our B2B Services

Bulk Orders & Competitive Pricing

We support large-volume orders with flexible pricing schemes designed for B2B clients.

OEM & Customization

From branding to structural design, we work with you to develop custom furniture and lighting products under your private label.

Fast Production & Global Shipping

Located in Guangdong, China, we manage a robust supply chain with on-time delivery and global logistics support.

FOB SHENZHEN, For the regular products ,the lead time normally will be 40-55 days to process.

Quality Assurance & Certifications

All our products meet international standards and can be provided with CE, RoHS, or UL certification of product part upon request.

Eco-Friendly Materials

Whenever possible, we choose environmentally responsible materials to help reduce our environmental impact.
